Things to do in Fort Kochi

Week of 16–22 November

- Every evening
  about 5.59pm
  Sunset over the water
  The sun sets into the Arabian Sea off Fort Kochi Beach, behind the Chinese fishing nets. Walk the seafront path while the fishermen raise and lower the nets, then eat at the stalls along the walkway that cook the day's catch.

- Every Friday
  6.30pm
  Friday Harmony
  Every Friday at 6.30pm, anyone can climb the stairs to the Mehboob Memorial Orchestra's office near Aspinwall Junction to sing or listen. Singers of every age take turns at karaoke in Hindi, Malayalam and Tamil, in memory of Bayi Mehboob, Kochi's own ghazal singer.
