ABOUT

Fort Paragon Restaurant serves Kerala meals, and visitors order its appam, prawn curry and biryani. It opens at 11am from Monday to Saturday and at 8am on Sundays, and it shuts at 11pm every day. One visitor who came almost every day of a week's stay went back for the desserts. They recommend the elaneer pudding and the elaneer payasam, which had a caramel flavour and was not cloyingly sweet. Expect a wait at busy times, since the restaurant can get crowded.
