ABOUT

Sri Krishna Café is a South Indian vegetarian café on Palace Road in Mattancherry, open for breakfast, lunch and dinner. It opens at 8am and shuts at 9.30pm, every day of the week. Prices are low, and it also serves tea, coffee and dessert. Visitors recommend the masala dosa and the chana bhatura as the dishes to order. One visitor describes the interior as old, with limited maintenance. The air-conditioned section is not always working, and one visitor found the non-AC area uncomfortable in April.
