ABOUT

ABC Art Room is a workshop room at the Fort Kochi Water Metro station, near Fort Kochi beach. It is run by the Art By Children programme of the Kochi Biennale Foundation, and it is open from 10am to 6pm every day. The station opened to the public on 21 April 2024 as part of the first phase of Kochi's water metro. The programme began with the Biennale. Blaise Joseph joined the festival team on 10 October 2018 to head it, two months before the fourth edition opened.
