ABOUT

Hotel Aryaas Park is a vegetarian restaurant in Amaravathy, Fort Kochi, open from 7.30am to 10.30pm every day. It serves breakfast, lunch, dinner and dessert, and you can eat in or take the food away. The menu is wide, one visitor says. Prices differ between the air-conditioned room and the rest of the restaurant. Groups must order a separate meal for each person, and one visitor reports this even when a diner cannot finish a whole plate.
