ABOUT

Let’s Kimchi is a Korean restaurant in Fort Kochi, open 6pm to 10pm from Tuesday to Sunday, and shut on Mondays. Visitors order the Korean fried chicken, seafood jjamppong and cheese tteokbokki. Several reviewers rate the yuja cha, a citrus drink served hot or cold. Two visitors ate bingsu, one mango and one strawberry. One visitor says the service takes time, so do not come in a hurry. Many dishes have a vegetarian option, which one reviewer calls unusual for a Korean restaurant.
