Vypeen Island

Local tradition says the island rose from the swamp in 1341.

ADDRESS

ABOUT

Vypeen Island lies across the water from Fort Kochi, and regular boats make the crossing. A Kochi Water Metro station on the island stands at the Vypin RoRo jetty, near Fort Kochi, and opened on 26 April 2023. A bridge built in 2004 by the Goshree Islands Development Authority also links the island to the mainland. Kerala Tourism names four beaches on the island: Cherai, Kuzhuppilly, Puthuvype and Munambam. A smaller beach lies beside the lighthouse at Ochanthuruthu.
