

Where to stay

in Fort Kochi and Mattancherry

59 rooms and homes that Airbnb's own guests rate highest — every one carries Airbnb's Guest Favourite badge.

The ratings are Airbnb guests', not ours. Each listing shows its overall rating out of 5, how many reviews it rests on, and Airbnb's six sub-scores.

Price is a band, not a number. ₹ is under ₹2,000 a night, ₹₹ is ₹2,000–4,000, ₹₹₹ is over ₹4,000 — from prices captured on 14 September 2026. Fort Kochi is strongly seasonal, so tap a listing for today's price.

The quarter is approximate. Airbnb blurs a listing's exact position until it is booked.
