You've just missed it — take it home anyway

The 2025–26 Biennale ended on 31 March 2026. The next is expected around December 2027. We made a book of all 72 exhibits, venue by venue, with the photographs — 76 pages, 9 MB.

Pick up a block. Stack it. Build a world.

About

This nine-member collective turns wooden blocks inscribed with words into an interactive meditation on landscape, power, and progress. Visitors

become participants. They construct their own metaphorical cities while questioning who shapes the real ones.

The work brings forward the people that development stories often hide. These include workers, people who were displaced, and others who are overlooked. As you arrange these blocks, ask *Who decides what gets built? And who remains unseen?*
